GENERALITIES OF THE GAME

DRAW SELECTION: A single ticket number will be selected each week by a certified Random Number Generator (RNG) from all raffle ticket numbers sold during the week leading up to the draw. Draws will be made at the following location:

- NESPCA Office 665 Hamilton Ave in Melfort, SK S0E 1A0

The draw will be made at 12:30pm every Thursday and streamed live on Facebook. The NEOSS & NESPCA will have a minimum of three people present at each draw. Purchasers do not need to be present to win.

WEEKLY WINNER: Each weekly draw winner will receive a single cash prize equal to 20 percent of all ticket sales collected during the week. The winner will be contacted by phone and asked to choose an envelope from the remaining envelopes each containing a single card from a standard deck of playing cards. The chosen envelope will be opened and revealed. If the winner does not answer, a designated proxy (Kathryn Carswell or Marianthe Strydom) will select an envelope for the weekly winner. If the envelope selected by the weekly winner (or proxy) reveals any playing card other than the Ace of Spades, the game continues. All tickets from the previous week are then voided and ticket sales commence for the next weekly draw.

PROGRESSIVE JACKPOT: The progressive jackpot will be seeded at \$5000. If the envelope selected by the weekly winner (or proxy) reveals the Ace of Spades (including week 1), the weekly draw winner will receive the Chase the Ace Progressive Jackpot, consisting of 30 percent of all ticket sales collected over all weeks, plus the \$5000 seeded jackpot.

GAME PLAY OUT: If the game is not concluded by the end of the licensing period according to the dates of the SLGA license, the game will be played out on the last Thursday before license expiration which will be June 29th, 2023. RNG draws will be made and envelopes selected until there is a winner. There will be no sales between these draws and if the 20% prize weekly winner does not choose the ace, only the 30% progressive jackpot will be eligible to be won by subsequent draws.

NUMBER OF TICKETS: There will be a maximum of 3,000,000 tickets available for total possible sales of \$3,000,000 and a total possible prize value of \$1,505,000.
